

DEPARTMENT OF ECONOMICS

DEPARTMENT INCHARGE

Dr. Monica Awasthi, Asstt. Prof.
9452589930
asstprofmonica@gmail.com

Historical Background-

Established in 1955, the Department of Economics has a long-standing tradition of delivering undergraduate education through its regular academic program. The department has been guided by several distinguished leaders over the years. **Dr. Sushma Shah** served as the department Incharge from 1970 to 2012, followed by **Prof. Manjula Upadhyay**, who led the department until 2021. Currently, **Dr. Monica Awasthi** holds the position of Department Incharge, continuing the department's legacy of academic leadership.

Achievements and Contributions-

Since its inception, the Department of Economics has demonstrated a strong commitment to enhancing academic discourse and research through the organization of numerous national and international webinars. The faculty members are noted for their specialized expertise in various domains, including Indian Economy, Public Economics, Microeconomics, and Macroeconomics. This specialized knowledge contributes significantly to the department's reputation for academic excellence. The department also boasts a commendable student performance record, with an approximate pass rate of 90%.

The department's objectives are in alignment with the broader vision and mission of the institution, which focuses on delivering high-quality education, empowering women to take on leadership roles, and promoting social and environmental responsibility. These goals are supported by a foundation of core human values.

Career Opportunity-

Graduates from the Department choose various career paths, including civil services, banking, and academia. The department's robust academic framework equips students with the knowledge and skills necessary for success in these fields.

Teaching and Learning Methods-

The Department of Economics employs a diverse range of pedagogical methods to support student learning. **Traditional instructional techniques, such as lectures and tutorials, are complemented by modern approaches, including audio-visual presentations and group** discussions. To further enhance learning outcomes, the department provides a variety of supplementary resources, including question banks, reading lists, project assignments, fieldwork opportunities, and study visits. Additionally, the department facilitates access to relevant web links and reports.

Moreover, the **department organizes invited and guest lectures** featuring experts from various disciplines to address contemporary and relevant issues. These initiatives are designed to expand students' perspectives and deepen their understanding of economic concepts by exposing them to a variety of viewpoints and current developments within the field.

Club — “ECOHOLICS”

Department offers a platform “ECOHOLICS” to the students for learning, networking, and practical exposure to the subject outside the classroom.

Mission – To foster a deeper understanding of economic theory and its practical applications, by encouraging debate, collaboration with other departments, and leadership among undergraduate students."

Activities & Events-

- **Guest Lectures:** Invite economists, experts, or industry professionals to speak on current economic issues, financial markets, or policy debates.
- **Debate Forums:** Organize regular debates on trending topics like globalization, sustainability, budget or public policy.
- **Research Groups:** Form groups where members collaborate on research projects, guided by a faculty mentor.
- **Competitions:** Organize competitions, quizzes, or essay-writing contests centered around economic topics.

- **Field Trips:** Plan visits to firms, research institutions, or governmental bodies.
- **Social Responsibility Programs:** Partner with NGOs or governmental bodies to analyse or address economic issues in local communities, such as financial literacy programs or poverty reduction strategies

Work with other departments, such as Political Science, Finance, or Sociology, for interdisciplinary discussions on economics-related topics.

» बजट की खास बातों पर छात्राओं ने प्रतिक्रिया की साझा

अमृत विचार : एपीसेन मेमोरियल गर्ल्स पीजी कॉलेज के अर्थशास्त्र विभाग में छात्राओं को बजट का लाइव प्रसारण दिखाया गया। आम बजट की खास बातों पर छात्राओं ने अपनी प्रतिक्रिया भी साझा की।

विभागाध्यक्ष डॉ. मोनिका ने बताया कि अमृत काल का यह बजट निश्चित रूप से 2047 तक भारत को एक विकसित राष्ट्र बनाने में एक मजबूत आधारशिला तैयार करेगा। बजट में 2.6 लाख करोड़ ग्रामीण महिलाओं एवं 3 लाख करोड़ लड़कियों के विकास पर जोर दिया गया। छात्रा प्रजा सिंह ने कहा कि सरकार को बेरोजगारी कम करने की दिशा में और अधिक सार्थक प्रयास करना चाहिए। छात्रा अलका दुबे,

हुदा ने बजट में 1.48 लाख करोड़ रुपये का अलॉटमेंट शिक्षा, रोजगार व कौशल विकास पर आवंटन करने को लेकर प्रसन्नता जताई। वहीं खुशबू ने प्रतिक्रिया देते हुए कहा कि जनौनिकी लाभांश को प्राप्त करने के लिए कौशल विकास और गुणवत्तापूर्ण शिक्षा पर सरकार को बहुत ध्यान देना होगा। कुमुद का कहना है कि आर्थिक सर्वेक्षण में इस बात को स्वीकार किया गया है कि इंडस्ट्री की स्किलड वर्कर की डिमांड और वर्तमान शिक्षा प्रणाली के द्वारा तैयार स्किलड लेबरफोर्स में बहुत अंतर है। हर दो में से एक स्किलड युवा इंडस्ट्री की रिक्वायरमेंट को पूरा नहीं कर रहा है, और यह एक बहुत बड़ा चैलेंज है।
