### **Historical Background-**

Department of Asian Culture is a part of Faculty of Arts and was established in 1958 by the recommendation of Dean Faculty of Arts, University of Lucknow. At present Asian History is taught in under graduate classes. Earliest faculty member Dr. Supriya Chakravarti served and nurtured the department for more than 40 years. Then Dr. Madhuri Mishra headed the department for more than 20 years. At present the department is headed by Major (Prof) Monika Srivastava. She is specialized in various domain in Asian History. The department is continuously encouraging the students to examine the connection between historical events and human experiences in Asian regions. By studying the causes, contexts and chronologies of individual events the department provides an understanding of the nature of continuity and change in human experiences. it not only serves the students but also make them aware about the

role of history for making the society. The department has a strong commitment to the professional development of its faculty through the scholarly publications and participation in various seminars, conferences and workshop and also encourage the faculty members to associate themselves with the professional associations of Asian history and develop good relation with its students.

### **Vision -**

To become excellent institution in the core field of Asian History, with global expertise in a variety of Asian research areas.

### **Mission -**

- Make students understand the past and present of India and Asian countries.
- From a historical perspective, it influences a critical understanding of India's society, economy, politics and culture.
- To stimulate the student's intellectual curiosity and willingness to explore in the field of Asian studies.
- Introducing various Indian and foreign traditions of Asian history writing.

### **Objectives -**

To prepare students for successful professional careers as secondary teachers, college or university professors, journalists, lawyers, civil servants, and historians in government and private agencies by providing them with knowledge about the origins and development of peoples in the past, as well as developing their ability to conduct research, analyze evidence, and express defensible conclusions orally and in writing the Asian History.

## **PROGRAMME OBJECTIVE -**

The objective of the programme of Graduation in Asian Culture is to equip the students with the knowledge of the history of various countries of Asia in 19 and 20 centuries; this includes the spread of Western Imperialism in Asia and the freedom struggle of various Asian nations. The effect of Cold War on the region has also been covered. The programme offers Courses that not only shed light on the historical events of various countries of Asia, the conflict of Powers but also enables the students to study the historical events in a correct perspective.

## **PROGRAMME SPECIFIC OUTCOME -**

The Programme of Asian Culture has been designed in a manner to study the culture, history, economy and society of the various Asian nations. The knowledge of History of Asia is useful for students in various Competitive Examinations, especially, for Indian Civil Services aspirants. A Graduation in the Programme of Asian Culture will help students in their Post-Graduate studies in History. They can later pursue their career as History Writer, History Researcher and a History Instructor.
